Egg Garden

We Grow the Future

who we are

The Egg Garden is an urban growing system startup company based in Ottawa, Ontario. We manufacture and supply the Egg Garden, which is a hydroponic/aeroponic, soil-free growing system that produces fresh, nutritious, low cost food and plants that are environment friendly.

our mission

At the Egg Garden, we aim to revolutionize the industry by disrupting the agriculture and food market and improving the way we grow and consume our food.

our vision

We want people all around the world to be able to grow and consume their own fresh food. Our vision is to reduce food waste and the environmental impact of the agricultural industry by reducing the amount of water used in farming and the distance food travels to get to your table.

**FRESH,
HEALTHY
FOOD**

EASY TO USE

The Egg Garden's simple and elegant automated design makes it easy to use by beginners and seasoned growers

MORE PLANTS IN LESS SPACE

Grow bigger plants up to 3 times faster than traditional soil gardening methods. Greater and faster yields means more plants in less time.

ENVIRONMENT FRIENDLY

The Egg Garden uses no soil, less water and reduces the distance that food travels to get to your table

HEALTHY, FRESH, NUTRITIOUS

Grow healthy, fresh nutritious harvest. This is as farm to table as it gets!

GROW INDOORS OR OUTDOORS

The Egg Garden can be used just about anywhere! Being able to grow indoors or outdoors means you can grow all year long.

GROW UP TO 38 PLANTS AT ONCE

38

The Egg Garden can grow a wide variety of plants, herbs and flowers. You can grow up to 38 plants at once in a single Egg Garden.
